Art Unit: 1724

The following is an examiner's statement of reasons for allowance: The recitation of a method and apparatus for removing oil and metal chips from liquid comprising an endless tube descending into the body of liquid with a drive system and a wiper for the tube, and having one or more magnets inside the tube patentably distinguishes over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

A handwritten signature in black ink, appearing to read 'CU' followed by a stylized flourish.
